

CANNONBALL SONOMA COUNTY SAUVIGNON BLANC

Sauvignon Blanc is one variety that is a pure expression of varietal - the wine is what the grape provides. Primarily sourced from the Tzabaco Rancho Vineyard in Dry Creek Valley, our Sauvignon Blanc is 100% stainless steel fermented, resulting in a clean and focused wine.

Cannonball Sauvignon Blanc displays vibrant aromas of citrus, pineapple and minerality. Mouthwatering flavors of guava, grapefruit and elderflower meld perfectly with a lively body and texture. Refreshing and inviting, this wine finishes with bright, juicy acidity and a very pleasing mouthfeel.
