

ELEGANT & EXPRESSIVE

2015 CANNONBALL CALIFORNIA CABERNET SAUVIGNON

An exciting revival of a classic style. It has the best characteristics of traditional California and old world Bordeaux.

Raise your glass Winemaker Dennis Hill's deep knowledge of the best California Cabernet Sauvignon climates, soil types and vineyards, coupled with long-term relationships with premiere growers, allow sourcing for the finest grapes to craft the ultimate Cannonball flavor profile.

Winemaking We are thrilled to present our 2015 Cabernet Sauvignon. The 2015 vintage was very low in vine yield. We had to let the fruit hang a little longer than normal to get full maturity. This vintage required a bit more attention to build structure during aging. The strategy paid off as the resulting wine is quite exciting. This wine was aged 14-20 months in oak: 45% new, 80% French Medium Plus Toast, 20% American Medium Toast.

Aromas The 2015 Cabernet Sauvignon has vibrant aromas of racy red spice, black plums and dried cherries.

Taste and flavors The taste is of dark fruit, black plum, spice and a hint of chocolate. The texture starts with a voluptuous entry and finishes with just enough structure to hold up well to rich foods, but smooth enough to enjoy by itself.

Technically AVA: California • Alc: 13.8% • TA: 6.7 g/l • pH: 3.67
