2020 VINTAGE

4 ½ STARS "EXCELLENT"

"This regional blend was grown mostly in the Awatere valley. Mouth-filling, it has fresh, tropical-fruit and herbaceous flavours, showing very good intensity and a fully dry finish." NOV 20

2019 VINTAGE

94 POINTS "HIGH QUALITY"

17 consecutive years of 90+

"Ripe, deliciously fruity sauvignon blanc with melon, guava and citrus-lime, together with smattering of fresh herbs. A creamy-textured wine with good weight and a lingering finish. Textbook Marlborough sauvignon." DEC 19

The Real Review

4 ½ STARS "EXCELLENT"

"The 2019 vintage is a regional blend, grown principally in the Awatere Valley (65 per cent). Weighty, it has fresh, ripely herbaceous flavours, showing excellent delicacy and depth, and a long, crisp, dry (1.3 grams/litre residual sugar) finish." 2020

94 POINTS "EXCELLENT"

"Plush, fleshy, fruity and varietal with aromas of tropical fruits and fresh herbs, an abundance of wet stone mineral scents and white blossom. On the palate – equally fleshy and fruity, crisp, refreshing and just dry on the finish. Flavours of lemon and passionfruit, apple and fresh herb. High acidity – almost sweet to the taste, plenty of mineral and floral layers. Just dry on the finish. A lovely example, balanced and well made. Best drinking from today and through 2023." JUN 20

18.5/20

"Dry, medium bodied, tropical, intense and fruit forward in style. This is the style of Sauvignon Blanc that Marlborough is best known for it over delivers even at a slightly higher price point than many big brands – it's worth digging deeper for." MAR 20
