

TWIN VINES

VINHO VERDE

Celebrate The Lighter Side of Life

Vintage Information

Region: Vinho Verde DOC

Vintage: 2020

Grapes: 70% Loureiro, 14% Trajadura, 12% Pedernã, 4% Alvarinho

Climate: A damp, fertile region with a maritime climate receiving lots of rainfall each year, up to 45"

Soil: Primarily granitic allowing for good drainage

Vinification

The winemaking team of Jose Maria de Fonseca pressed the grapes prior to fermenting the juice in stainless steel tanks. The wine aged in tank for a few months before bottling.

Tasting Notes

Crystal clear in color, Twin Vines Vinho Verde exhibits fresh, tropical fruits, lemon and lime, with a slight spritz and zesty, refreshing acidity!
