2020 VINTAGE

**94 POINTS “HIGH QUALITY”**

“The product of a very favourable and moderately warm, dry vintage, which has pushed flavours to the riper end of the spectrum with nectarine, passionfruit and subtle guava characters. A deliciously silken, textural wine supported by gentle acidity. Drink 2021 to 2024.” MAY 21

Bob Campbell, Master of Wine  
The Real Review

**93 POINTS “EXCELLENT”**

“Tropical fruits of mango and pineapple, fresh herbs of basil and sage, citrus aromas of grapefruit then lemongrass and apple. Equally flavourful, youthful, fresh, fruity, tropical and herbaceous on the palate. Dry with plenty of acidity and spice, freshness and a light salty finish. Best drinking from 2021 through 2025+.” MAY 21

**YVONNE’S PICK**

“Sometimes those huge, kick-in-the-chops sauvignon blancs and their quinty acidity, grassy intensity and passionfruity pungency can be way too big a beast for any kind of kai. Whereas this new vintage from Astrolabe in an exercise in subtlety with soft lemongrass, bruised basil, a lick of lime-zest, creamy peach, whispers of white pepper and pillowy, prickly finish.” JUN 21
