AROMATICS  
RANGE

2021 VINTAGE

**93 POINTS “EXCELLENT”**

“Ripe and varietal, some pungency and power underpin a mineral and fruit centric bouquet. Aromas and flavours of brown and green pear, baked apple and quince. There’s a saline and lemon quality accentuated by acidity and freshness. White spice and quince, citrus and red apple, a whisper of honeysuckle and finely textured mouthfeel. Balanced, well made and ready to drink from 2022 through 2025+.”
