2021 VINTAGE

94 POINTS "HIGH QUALITY"

19 consecutive years of 90+
"Concentrated, luscious sauvignon blanc, with juicy passionfruit, guava and pink grapefruit flavours supported by tangy acidity that gives a refreshingly crisp finish. A skilfully-made wine with an impeccable sweet-and-sour balance. Drink 2021 to 2025." OCT 21

5 STARS "OUTSTANDING"

"The classy 2021 vintage (5*) was grown in the Awatere Valley (49 per cent), Kekerengu (21 per cent), the Southern Valleys (21 per cent) and the Wairau Valley (9 per cent). Very fresh and weighty, it has lifted, herbaceous aromas and vibrant, penetrating flavours of melons, limes and green capsicums, appetisingly crisp, fully dry and sustained." 2022 Edition

94 POINTS "EXCELLENT"

"A bouquet that ticks all the boxes of variety and region, a core of fruit that suggests as much citrus as it does tropical. Herbaceous and new, salty and mineral. Delicious, fresh, herbaceous and fruity on the palate with a core of citrus and peach then mineral. Acidity and salty qualities add mouthfeel to a lengthy finish. Great drinking from 2022 through 2025." MAR 22

2021 CONTINUED

92 POINTS "OUTSTANDING"

"The ripe yet tangy 2021 Sauvignon Blanc is far from the Marlborough stereotype. It is intensely concentrated and offers a powerful core of pure fruit, reminiscent of fresh gooseberries, red apple and lime. The finish is punchy yet balanced. Drinking window 2022-2016." MAR 22

91 POINTS "OUTSTANDING"

"Appealing for its restraint, with mineral, dried lavender, white grapefruit and green apple flavors that gain momentum before the juicy finish takes over, offering a refreshing combination with plenty of detail. Drink now." MAY 22

18.5 POINTS

"This wine consistently delivers, vibrant, fruity and dry Sauvignon Blanc from a blend of vineyards in the country's biggest wine region, Marlborough. It's a perennial favourite Sauvignon Blanc with both wine lovers and hospitality venues alike, due to its deliciously well balanced herbaceous aromas and ripe, passionfruity tropical flavours. Medium bodied, intensely flavoursome and lingering in taste." FEB 22
