CANNONBALL CABERNET SAUVIGNON

2017 – 1.5L magnum bottle

Boysenberry and plum fruit lead on the palate and the structure toes a fine line between big fruit and oak nuance. Sweet oak notes usher in a core of dark fruit that is lengthy in briar and cherry flavors. The tannins are supple and full on entry with a little firmness on the finish to lend structure and enhance the wine's suitability for food pairings

ANGELS & COWBOYS PROPRIETARY RED

2018 - 1.5L magnum bottle

The dark cherry/mahogany red color is indicative of the luscious palate structure which leads with briar/bramble berry fruit backed by notes of violets, sweet hibiscus juice, black currant conserves, and red-flesh plum. Meaty and mouthwatering with succulent edges, the full body is built on a tannin structure that starts out silky and fine then builds to a firm yet smooth finish that lingers indulgently on the palate.
