2022 VINTAGE

2022 CONTINUED

**5 STARS "OUTSTANDING"**  
"Showing clearcut Awatere Valley sub-regional characters, the 2022 vintage (5\*) is mouthfilling and pungently varietal. Bright, light lemon/green, it is vigorous and youthful, with pure, penetrating, tropical fruit and green capsicum flavours, lees-aging complexity, a mineral streak and a crisp, dry, lingering finish. Best drinking mid-2023+." NOV 22

**TOP 12 APPELLATION MARLBOROUGH WINE ANNUAL COLLECTION 2022**  
"There are some very clever, thoughtful winemakers in Marlborough, and this was a year that they rose to the challenges of the season to deliver wines of quality and character. We were impressed by the number of wines with texture and elegance, and think wine-lovers will find much to enjoy." SEP 22

**94 POINTS "EXCELLENT"**  
"Pungent and savoury, distinctive aromas of the seaside and sand, a mix of apples and grapefruit, fresh herbs and aromatic white spices. Complex, youthful and enticing. Delicious on the palate, dry and savoury, flavours of citrus and apple skin, dried herbs and spice moments. Plenty of acidity and finely textured mouthfeel with a light saline quality. Best drinking from mid to late 2023 through 2027." NOV 22

**90 POINTS "OUTSTANDING"**  
"Aromas of sage, elderflowers, peaches and dragon fruit. Medium-bodied with citrus acidity and silky texture. Poppy seed and jasmine tea on the palate. Fresh. Vegan. Sustainable. Drink now. Screw cap." OCT 22

**94 POINTS "HIGH QUALITY"**  
"Creamy-textured sauvignon blanc with gooseberry, lime, lemongrass and fresh asparagus flavours. Quite Sancerre-like with refreshing acidity, good weight and varietal definition with spicy red capsicum characters. Drink 2022 to 2026" OCT 22
